

## The Club at Mediterra

### Wait List Guide

Golf Membership is capped at 450 memberships. At such times as there are no longer Golf Memberships available, Golf Memberships will be offered to persons on the "Golf Wait List"\*.

Your placement on the List will be based upon the following priorities:

1. Charter Members.
2. Existing Members
3. Non-member Property owners.
4. New owners.

As memberships become available, you will be able to upgrade to Golf Membership immediately based on your position on the list.

\*Exceptions to Golf Wait List

1. Inheritability. Upon the death of a member, the Golf Membership can be transferred to the member's spouse or legatee.
2. Position Transfer. If a Golf Member sells their home and chooses to resign their golf membership at the time of the sale, the buyer may bypass the wait list and "take" the Golf Member Seller's position as part of the golf capacity at the Club. The buyer must do so at closing on the home and must pay the going golf joining fee with application.
3. Builder Memberships. The Board of Governors may choose to allow up to 50 additional memberships to purchasers of "new" homes from builders in the Mediterra Builder Program.

*Please contact the Membership Office at 239-254-3022 if you have any questions.*

## Wait List Program

- To be placed on the Golf Wait List, a member must be or must become a **Sports Member** and pay any joining fees and dues associated with Sports Membership.
- Member must pay a "**Wait List Fee**" of half the balance between the joining fee for the Sports Membership and the current joining fee for Golf Membership.
- **The Wait List Fee is non-transferable and non-refundable.** If a Sports Member removes his or her name from the Golf Wait List, or does not accept the Golf Membership when it becomes available, the Wait List Fee is forfeited. The member will be required to pay a new Wait List Fee in order to be placed on the Golf Wait List again in the future.
- **Upon selection to upgrade to Golf Membership, the member will be required to pay the membership contribution for Golf Memberships in effect at the time the member was placed on the Golf Wait List less the Sports Membership Joining Fee paid and the Wait List Fee paid.**
- While on the Golf Wait List, **the member will be allowed open afternoon golf privileges with Sports Membership fees, beginning daily at 1:00 pm.** Golf Wait List members may not participate in tournaments, except as allowed under the terms of Sports Membership or if under-subscribed and at the Director of Golf's discretion. **Golf Wait List members will be allowed to play in Men's or Ladies' Days events at the invitation of the Director of Golf.**
